New Adult Sunday School Classes

Two different Sunday school studies that will be starting on Sunday, February 27: These 12-week studies are both from Ligonier Ministries and have the same format: Each lesson will have a 23-minute message on DVD, followed by discussion and Bible study.

Study #1: Union with Christ by Dr. Sinclair Ferguson. This will be our main study held in fellowship hall at church. Here's a summary of the study:

The Apostle Paul had no question about what it meant to be a Christian: He was 'in Christ.' This simple phrase encapsulates the glorious benefits and blessings of the Christian life, and the importance of this expression is underscored by how regularly Paul used it. But many Christians today suffer from an identity crisis, unaware of this truth and how this new identity can reshape every aspect of their lives. In this teaching series, Dr. Ferguson explores the crucial meaning of our union with Christ, revealing that being a Christian is far more wonderful than many of us know.

COVID-19 precautions are left up to each individual. Please rigorously practice the one-another Commands especially in regards to the ongoing COVID-19 concerns.

Study #2: The Basics of the Christian Life also by Dr. Sinclair Ferguson. This study is for those relatively new in following Christ or those who would like a refresher on the basics. Also, this could be a great class to bring an unsaved friend interested in following Christ. This study will be held at the Scheumanns' house. Here's a summary of the study:

What is a Christian? What does it mean to belong to a church? How can we grow in grace? And how do we live the Christian life to the very end? How we answer these questions has a huge impact on the course of our lives. In this series, Dr. Ferguson carefully explains the basics of the Christian life and helps us know what it means to be a Christian and how to live abundantly to the glory of God.
