New Adult Sunday School Class

A new Sunday School study starting on Sunday, July 9: **The New Testament Canon by Michael Kruger (Ligonier)**. In this 6-week study, we will be considering why the 27 books are in the New Testament. Opponents of Christianity raise challenging questions about the origins, authorship, age, and reliability of the 27 books of the New Testament. When the authenticity of the New Testament is questioned, so is the gospel. In this series, Dr. Kruger critiques the most common objections to the canon and presents abundant evidence that these books are the authentic, true, and inspired Word of God. This is a series to help dispel doubts and give you confidence that the right books, and only the right books, are in the Bible.

Church Picnic

There will be a church picnic this afternoon, following the morning service, at the home of Kevin and Lee Winter. We will be supplying hamburgers and hot dogs, buns, condiments and place settings. Water and lemonade provided. Please bring lawn chairs and a dish to share (salad, dessert or snack). RSVP to Kevin or Lee. Everyone invited!

Evening Worship Service

Due to the church picnic, there will be no evening service.
